- Jeans
- Leather goods
- Bags
- Horse Numnahs
- Namebadges
- Logos
- VIP-band
- Aprons
- Borders
- Towels

QUALITY AND EFFICIENCY MADE IN GERMANY

The most important features of the ZSK J-Series

- Speed up to 1000 stitches/min
- Embroidery fields
 - Caps: 70 x 360 mm
 - Tubular: 405 x 395 mm
 - Single design: max. 495 x 700 mm
 - Border frame: max. 700 x 3200 mm
- Up to 15 needles/colours per head
- Automatic thread cutter
- Upper and lower thread cutter
- Automatic reverse embroidering function
- Height adjustable pressure foot
- Design trace with lowered needle
- Low-noise
- Automatic head selection (option)
- Huge number of special devices
- Automatic error analysis
- Windows-based networking
- Developed for 365 day working
- Branded article with high resale value
- 100 Years experience in machine construction
- Made in Germany
- T8 control unit
- Intelligent PC-Software
 - First class Monogram
 - Base-Pac with modular structure
 - EPC-win for Professionally working
 - ASP-Manager organized process from Shop to embroidery machine

Cylinder Frame
75 x 185 mm

Stencil Frame
Fields á 113 x 25 mm

Cap Frame
70 x 360 mm

Pocket Frame
60 x 60mm

Magnetic clamping Frame
320 x 280 mm

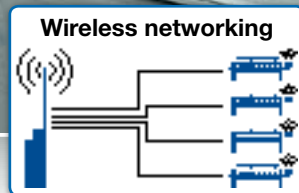

Shoe Frame
60 x 50 mm

Tubular Frame

Monitor T8

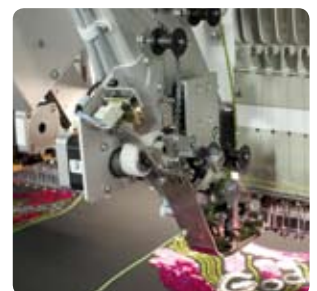

Trousers Frame
einstellbar 60/95 x 280 mm

Ribbon Device
15-35 mm

Twin/Sequins
3-19 mm

T8 - Control unit setting standards

- High quality TFT colour screen
- Flash disk for 7.2 Millions of stitches
- Standard network connections LAN
- 2 USB connections
- Integrated 3,5 " Disc
- Windows CE
- 14 dialog languages
- All industrial embroidery machine codes
- loading, saving, editing of designs during the working process
- Graphic display of embroidery design course

PERFECTION FOR ALL DEMANDS
